Our Awsome Screen

There are plenty of rugged equipment out there but they are overly expensive and complicated. Our misson is to make robust equipment that can survive everywhere while still keeping it afordable and simple enough that an operator can replace hardwhere without an IT-technichan.

RUGGED 11,6" VEHICLE-MOUNT COMPUTER

Robust all metal housing that is still light enough to use with suction cup mount on the window.
No fuss with docks that malfunctions, only robust M12 and N-Male connectors.
Really awsome screen with 1920x1080 resolution IPS display with the proven Rock touch technology.

Specifications

Computer

Processor
Intel N4200 Passive

Memory
Standard 4GB (Option 8GB)

Storage
M.2 64GB (Option 32GB,128GB)

Interfaces

Input/Outputs
1xM12 5-Pin Power 9-36V
1xUSB-A with dustcap
1xN-Male antenna

Connectivity

Radio
Dualband WLAN 2.4GHz 802.11
(Option) WLAN 5GHz
(Option) GPS
(Option) 4G Lte

Included antennas:
1xWLAN N-Male 5dbi foldable antenna
1xWLAN N-Male 5dbi magnete roof antenna
1xWLAN Internal 3dbi antenna

Software

Operating system
Windows IoT 10 LTSB/LTSC

Power

Input
9-36V on M12 5-pin connector

Power consumption
20Watt

Physical characteristics:

Dimensions
285mm (w) x 180mm (h) x 50mm/70mm w. mount (d)

Weight
1,9kg

Environment

Operating temperatures
-30° to 55° C

Humidity
10-95% RH

IP-Class
IP65
